- ✓ **One Gallon Makes 32**
- ✓ **No Odor**
- ✓ **Non-streaking on glass.**
- ✓ **Leaves Glass Sparkling**
- ✓ **Biodegradable**

Glass Cleaner Concentrate

Directions: **Do Not Use without Dilution.** Concentrated product should be cut with at least 32 parts of water to make a ready-to-use solution. The proper use of metering equipment is highly recommended for easy production of working solutions.

Simply spray on glass and mirrors and wipe clean with a dry, clean towel or cloth. No rinsing is necessary. Just spray and wipe clean. Difficult areas may benefit from a second application. Avoid contact with eyes. In case of contact, flush with water. If irritation persists, contact a doctor.

Keep this and all similar materials out of the reach of children.
